## **FiberTower to Participate at the Oppenheimer Technology, Media & Telecommunications Conference**

**San Francisco, CA – August 4, 2010** – FiberTower Corporation (NASDAQ: FTWR), a wireless backhaul services provider, announced management intends to participate at the Oppenheimer Technology, Media & Telecommunications Conference on Tuesday, August 10<sup>th</sup>, 2010. Management will conduct a fire-side chat at 8:30 a.m. EDT and participate on the Wireless Infrastructure Panel at 11:50 a.m. EDT at the Four Seasons Hotel Boston.

The presentation used at the conference will be available on the Investor Relations section of company's website [www.fibertower.com](http://www.fibertower.com). The panel discussion is expected to be webcast live and will also be available for replay for 90 days.

### **About FiberTower**

FiberTower is a backhaul and access services provider focused primarily on the wireless carrier market. With its extensive spectrum footprint in 24 GHz and 39 GHz bands, carrier-class fiber and microwave networks in 13 major markets and master service agreements with nine U.S. wireless carriers, FiberTower is considered to be the leading alternative carrier for wireless backhaul. FiberTower also provides backhaul and access service to government and enterprise markets. For more information, please visit our website at [www.fibertower.com](http://www.fibertower.com).
