FiberTower Announces Investor Day at CTIA 2009

San Francisco, CA., March 9, 2009 – FiberTower Corporation (NASDAQ: FTWR), a wireless backhaul services provider, announced today that it will host its 2009 Investor Day with analysts on Thursday, April 2, 2009 at the CTIA Convention to be held in Las Vegas, Nevada. The event will begin at 12:00 p.m. Pacific Time and conclude at approximately 2:00 p.m. Pacific Time. Additional details regarding FiberTower’s Investor Day are provided below.

- What: FiberTower’s 2009 Investor Day to be held in Conference Rooms 9-10 at the Las Vegas Hilton located at 3000 Paradise Road
- When: Thursday, April 2, 2009 from 12:00 p.m. to 2:00 p.m. Pacific Time

In addition to the Investor Day, FiberTower’s Dave Jones, Vice President of Hi-Cap Planning and Development, will be participating on a panel titled “Weighing Microwave Options for Wireless-Based Backhaul”, which will be held on April 1, 2009 from 1:30 pm to 2:40 pm Pacific Time at the Las Vegas Convention Center (Room N257/259). The panel is part of the education session titled “IP Backhaul: Getting More for Less”.

A copy of the slide presentation used during the Investor Day event will be available on the company’s website at <http://www.fibertower.com>.

About FiberTower

FiberTower is a backhaul and access services provider focused primarily on the wireless carrier market. With its extensive spectrum footprint in 24 GHz and 39 GHz bands, carrier-class microwave and fiber networks in 13 major markets, customer commitments from six of the leading cellular carriers, and partnerships with the largest tower operators in the U.S., FiberTower is considered to be the leading alternative carrier for wireless backhaul. FiberTower also provides backhaul and access service to government and enterprise markets. For more information, please visit our website at [**www.fibertower.com**](http://www.fibertower.com).
